August Coffee & Donuts

Friday, September 24th
9:00 a.m. Clubhouse

To take advantage of **Direct AutoPay**, stop into the office and fill out the paper work today. One less task and more time to enjoy life.

It's already September and the kids are back to school.

Please watch for them in the community as they are on their way to and from school.

A reminder to all residents and guests, the **speed limit in the community is 15 m.p.h.**

This is a state regulated speed limit for all manufactured home communities.

Strict adherence to this law is required, in addition to posted speed limits and all stop signs in the community.

Now is the time for your home improvements to be completed before the winter begins to come around again.

If you need any help with your home improvements, please give the office a call. We can help you find the right person to do the job.

We can refer you to receive a **"Free Home Inspection"** that will include inspecting the plumbing in your home and underneath your home (looking for leaks); inspect the hot water tank and check vents in the plumbing; check heat tape and check the bellie board (insulation) under your home.

Keep The Lakes office up-to-date with all your changes....

....Pet records

....Phone number changes

....New car and license plate num-

The newsletter is now available on our website www.thelakesllc.com or at the office. Please stop down to the office and pick up a copy.

When walking with your pets....please keep the air and the lawns fresh by removing your pets waste in an appropriate plastic bag.

Neighbors do not want your pets waste on their yard!!!

A reminder to all parents of elementary children, the school bus pick up is again at the west side of the Community Center parking lot near the garden area.

Beginning September 3rd, Marcotte Disposal will pick up compost and trash on Friday's. **NO MORE THURSDAY COMPOST PICK UP.** Any questions, please call Marcott Disposal (810) 985-9818.

TruGreen-Chemlawn—Yard Treatment

This will be the last treatment of the year.

Round 5—Monday, September 13th

Broadleaf Weed Control

Fertilization

If you do **NOT** wish to have your yard included in this service, please call Joe Herrera at (586) 412-9800.

The Lakes office will be closed on Monday, September 6th in observation of Labor Day. Enjoy your holiday!!!
