March Pot Luck

Wednesday, March 10th
6:00 p.m. @ the Clubhouse

March Coffee & Donuts

Friday, March 26th
9:00 a.m. Clubhouse

Let us help eliminate some stress with your payment to The Lakes. To take advantage of Direct AutoPay, stop into the office and fill out the paper work today.

The speed limit in the community is 15 m.p.h.

This is a state regulated speed limit for all manufactured home communities. **This law will begin to be monitored much closer. If you are seen speeding or not stopping at stop signs, you will be notified by certified letter. There will be two certified warning letters sent and the third certified letter will be sent to you and our attorney. The consequence for a third violation is possible eviction from the community.**

It is the responsibility of every resident to police the licensed drivers of their household and their guests to adhere to this law.

Lost and Found

Have you lost any personal items lately? Check with the community office. We may have what you are looking for. Especial keys that are left in the mail boxes or items left on top of the mail box units.

Give us a call or stop into the office.

Earn Free Site Rent

Do you know someone that would like to move into The Lakes? Give the office a call with your referral name and detailed information.

The Bulletin Board.....

A place you can find LOTS of information, items for sale and help with your home needs. Plus much more. Check it out.

Happy Birthday

To all residents with a March Birthday

The Lakes wishes you a super wonderful birthday celebration.

We are having some warm winter weather; however, it is still imperative that no parked vehicles obstruct the snow removal process.

When removing snow from your driveway....please do not put the snow in the roads. This is extremely dangerous. Put the snow to the side of your driveway.

Thank you for your consideration and cooperation in this matter.

The last few weeks of the winter season seem forever long.....if you're looking to get out of the house (before the walls cave in) come on down to the clubhouse for some activity and fellowship.

We have Tuesday-crafts, Wednesday-cards, and every day coffee. The library is open with the computer or get a good book. And we have the newspaper delivered every week day.

And every day is open for some exercise.

Keep The Lakes office up-to-date with all your changes....

-Pet records
-Phone number changes
-New car and license plate number

The newsletter is now available on our website www.thelakesllc.com or at the office. Please stop down to the office and pick up a copy.

Question of the Month.....

Who was Time Magazines first "Man of the Year" in 1927.

Answer will be in next months newsletter.
